**Subject:** RE: Lab Safety Coordinator Meeting February 2nd at 9:30

Hello Everyone,

Since we were snowed out yesterday, I am cancelling our meeting for February. I heard from lots of folks that they are backed up trying to make up missed meetings for snow days. Please put **March 2, 2011, 9:30 AM** on your schedule for our next meeting. The weather will be more spring-like by then, right????

By the way, it's 2011 and the Laboratory Safety Assessment team members are visiting all of your labs again.

See you in March,

Regards,
